Topic :- **SWOT ANALYSIS**

SWOT ANALYSIS

SWOT stands for strengths, weakness, Opportunity, and threats. SWOT analysis implies the parts where we are good at and factors that need Improvement. Through SWOT Analysis, we can analyze what opportunities lie ahead of them.

My strengths are as follows :-

- ▶ “I have strong communication skills, efficiency with technology . I am a good listener as well as a good reader also. I scored well in Hindi and mathematics. I love to sing songs and I play harmonium and guitar also. I have a good leadership quality. I am a creative person and respectful to elders, teachers, and my classmates. I am a Curious person who always ready to learn new things. I am very kind hearted person. I always helps others those who in problems. From above we can say that I am a problem solving person also. I am a discipline person who always lives in discipline. I am a competitive person and I work too hard to achieve my goals.

My weakness are as follows :-

- ▶ I easily get distracted towards Negative things and get nervous at some places. The subject that I struggle with that is English. I am always punctual to my studies but not in my work. I have fear of failure. I have stage fear and public fear when I saw many peoples together. I generally get nervous when the mic comes closer to me I start shivering and forget Things . At last I want to say that every weakness contains within itself a strength. You have to focus on your strengths, not on your weakness.

My opportunities are as follows:-

- ▶ I got many prizes in various places. I have participated in Olympiads that are held in our schools. I went to Haldwani in 2019 for state yoga competition and I won gold medal.

My threats are follows :-

- ▶ Threats are a superset of weakness. I am working in English subject. To improve my stage and public fear I am participating in debates and assemblies.
